

Cavaliers of the Northeast
06/14/15, Matamoras, PA
Judge: Alix Jauffret (Passeriphane)

I would like to thank the Committee of the Cavaliers of the Northeast for inviting me to judge at June Specialty Show in Matamoras, PA on Sunday June 14, 2015. It is always an honor and a privilege to be invited for judging, this time it was also a present as I was spoiled with the quality of the entries....I was expecting a lot and truly I was not disappointed at all. I would also like to thank the exhibitors for allowing me the opportunity to appraise their dogs. I was spoiled with the high number of the entries as well. I am thrilled with my winners: they took my heart at first sight, all the Winners have a bright future ahead them. In many classes it was a hard job to place the dogs as the high quality of all of them made it so difficult to make a choice. As always, what I liked most were the large eyes with soft expression that many dogs had. This is for me a paramount point in this breed which makes all the difference between a Cavalier and another breed, a Cavalier is not perfect without this melting expression you can't resist. I wish all of you the best in the future with our lovely breed and I am already looking forward to meeting you again.
