

**Cavaliers of the Midwest**  
**12/04/11, Chattanooga, TN**  
**Judge: Bob Whitney (Sigma Chi)**

I would like to thank the Midwest club for their excellent hospitality and having me be part of this weekend. It was certainly an interesting venue and on more than one occasion I caught myself humming the classic Glen Miller song "Chattanooga Choo Choo". I found the dogs to be overall of very good quality. I had some concern with a few dogs that carried their tails a little higher than desired but there were certainly a number of dogs to choose from with quality throughout all age groups. I would especially like to thank my ring stewards for their efficient method of processing the entries.
