

**Cavaliers of the Midwest**  
**07/26/13, Indianapolis, IN**  
**Judge: Doris Cozart (AKC)**

I would like to thank the show committee for the great hospitality and I would especially like to thank my stewards who made my day easy and accomplished their task with good humor. It was an honor to judge the specialty. The overall entry was of good quality, in some classes the decisions were very difficult as the difference between first and second was quite small. Cavaliers are in good hands, the breeders are to be commended. I did not mention bite or teeth in my critiques, I found many misplaced teeth and incorrect bites. I do feel this is becoming a problem. Most did not affect the expression at this time. I would like to apologize to the Veteran Dog class as my recorder did not record the class. The Winners Dog class was very strong. I wish there we could give more than one winners. It was a difficult decision between my final two choices. As a judge this is a *pleasure to have so many quality choices*.
