

**CAVALIERS OF THE WEST**  
**09/03/2017, BELLEVUE, WASHINGTON**  
**Maryann Hogan, Stavonga Cavaliers, UK**

I would like to take this opportunity to thank the Committee and members of the Cavalier of the West Club for holding such a lovely show. The venue was excellent, the Clubs hospitality second to none, and the exhibitors were most gracious in accepting my placements on the day, all dogs were presented clean and in good condition – a pleasure to go over. My only concern was there were so few Rubies in the show, I hope this is not reflected in your registrations – in the UK right now we have a bit of a revival of the whole-colours and it is lovely to see them winning so well. I can honestly say this was one of the most delightful assignments I have had, I have many treasured memories, thank you all so very much.

**JUNIOR PUPPY DOG (5)**

1. **STARMARC MAN ABOUT TOWN** (Rezowalli/Hooper)  
Tricolour boy with rich tan markings in all the right places, heavily marked, but clean legs, collar and tail. Well bodied, kept a level topline on the move, good tailset for one so young, nice straight front with a well cushioned masculine head with large round dark eyes. In good coat. Moved well coming and going.
2. **INTRYNZIK LE PETITE PRINCE** (Sparks/Goodwin/Goodwin)  
Good chestnut on this well marked Blenheim, nice large round dark eyes, perfect lozenge, just missing a little pigmentation on the nose – nothing to worry about, good turn of stifle, not quite as mature as #1. Moved well. Just splitting hairs on maturity on the day.
3. **INTRYNZIK BLASÉ** (Goodwin/Goodwin)  
Littermate to 2<sup>nd</sup>, surprisingly less mature, but a quality dog nevertheless, moving well and keeping a level topline. Lovely to have such quality in one litter.
4. **URQHART AMORE GRACED BY LOVE** (Schell/Pivonka)  
The baby of the class, what a pretty head, only 5.5 months, needs to put a little more weight on, and time gave away a lot in maturity today. Moved happily and spritely coming and going.

**SENIOR PUPPY DOG (2)**

“Two lovely Blenheims in this class I liked them both very much a pity they were in the same class.”

1. **KEAN CHRISTIAN AT SHIRMONT** (Henry/Henry/Keane)  
A 9 month old Blenheim in good coat with rich chestnut and good pigmentation, large round dark eye set in a handsome head, good ear set, nice neck and shoulders leading to a lovely level topline with good tail-set. Nice turn of stifle moved well coming and going still loads of energy!  
**BEST PUPPY DOG** and later, **BEST PUPPY IN SHOW**
  2. **CEDARCREEK RISE N SHINE** (Trudy Owens)  
Similar to 1<sup>st</sup> in many ways, good coat, well broken, handsome head, nice movement just preferred the length of body of 1<sup>st</sup>.

2. **ORCHARDHILL SHIRMONT BACK STORY, JW** (Henry/Henry)  
Slightly larger dog overall, heavier in head than #1 and bigger dark eye, again moving well coming and going, good bone, well placed shoulders, good turn of stifle.
3. **DULCE WHEN YOU WISH UPON A STAR** (Covell)  
Less mature type than #1 & #2, and not the head of them, at the moment, but I'm sure that will come. Nice round dark eyes, moved well coming and going, as did they all in the placings.
4. **GLENELLEN ROYAL ROOKIE** (Murphy)  
Well marked Blenheim, 13months old, a little longer on the leg, needs to drop his chest, nice mover, needs to grow a little more coat on his rear end to complete the picture.

#### **JUNIOR AMERICAN BRED DOG (1)**

1. **CLOBEAR ITS ALL ABOUT ME** (Waggoner/Mathies)

3. **MAYFIELD ME AND BOBBIE MCGEE** (Lunbeck/Lunbeck)
