

Cavaliers of the Northeast November 11, 2017

11/11/2017, York, Pennsylvania

Robert Whitney, Sigma Chi Cavaliers, Canada

I would like to extend my thanks to the Show Committee for the exceptional hospitality shown to me. It made this judging assignment an excellent experience. The dogs shown to me were shown in very good condition and very well presented. I must remark on the excellent quality of the eyes on so many of the dogs that I judged. We always have to pay special attention to a trend I've seen in the past of exhibiting dogs that have smaller almond shaped eyes rather than the large dark round eyes we desire.
