

CAVALIERS OF THE MIDWEST

2/17/23 - IRVING, TX

JOEL LANTZ, CAVANZAS CAVALIERS, SWEDEN

It was a pleasure to judge the best breed in the world, and to be able to judge this show with the highly respectable judges: Miyuki Kotani and Philip Lovel. What an honor.

The show was perfectly arranged in its Mardi Gras-theme. I was again so excited as there were so many lovely dogs for me to judge. Overall, the breed type and the sizes of the dogs were great. Many beautiful heads with the right expression from dark round eyes. Every single dog was perfectly presented, and they had the typical happy outgoing temperament. I saw several dogs that I could have taken home with me, puppies as well as adult dogs.

It was such a pleasure watching everyone show their dogs, the great condition they were in and how lovely they all were presented and shown. That's a sign of respect of the show and the judge. Some dogs were shown a little bit too fast on the move which doesn't do the gait any favors. Other than that, it was nothing but pure joy and love going over each and every dog in the ring and each and every one of them are special and beautiful in their own way.

I wish I could have more winners because you have beautiful dogs!

With those few words I would like to thank the club from the bottom of my heart for inviting me to judge and for taking such good care of me and my husband in Dallas.

Thank you,

Joel Lantz
