Pet Wellness Clinic

4708 South College Ave

Fort Collins, Colorado

Health Clinic June 11th 9 am to 1 pm

Secure your appointment by pre-registering with the enclosed form and advance payment. Mail to Carolyn Peterson, P O Box 272191, Fort Collins, CO 80527

Registrations are due June 2nd. Health clinic appointments are open to all breeds.

To encourage health testing, the Cavalier King Charles Spaniel Club, USA will subsidize 20% of the heart auscultations, eye exams, patella exams and OFA hip x-rays for Cavaliers belonging to club members. This is not a fund raiser. The non-member charges and other testing charges are the fees the doctors are charging.

Hearts –screened by auscultation \$40 (\$32 for CKCSC, USA members)

Janice Bright, DVM (DAVCIM Cardiology) or Derek Hanes DVM (DAVCIM Cardiology)

Heart Echocardiography exam \$260 without auscultation to check for DCM

Echo for a breed prone to heart disease will also need an auscultation for a total of \$300 (\$292 for members)

Derek Hanes DVM (DAVCIM Cardiology)

Eyes – OFA CAER eye exam. \$35 (\$28 for CKCSC, USA members)

Steven Roberts DVM (ACVO Ophthalmology)

Patellas –Mike Jewell, DVM will evaluate patellas \$25 (\$20 for CKCSC, USA members)

Hips – OFA Hip x-rays will be taken without sedation for \$120 (\$96 for CKCSC, USA members) by Dr. Jewell

Other OFA x-rays, without sedation

Elbows \$95

Shoulder \$95

Spine \$185

Microchipping – The chip fee includes registration. \$40

Other services, Brenda McClelland, DVM

Heartworm testing \$30

Bloodwork – CBC, chem. panel and thyroid to IDEXX \$160

Bloodwork – Thyroid for OFA listing \$155 (minimum of 3 dogs must sign up)

Fees to submit results to the OFA are not included.

For x-rays or thyroid blood work going to the OFA,
leave your completed OFA form and payment for the OFA fees at the clinic
