

Cavaliers of the Northeast
11/09/12, York, PA
Judge: Pam Burkley (Saintbrides)

I want to thank the Cavaliers of the Northeast for asking me to step in and judge for them, it was an honor. Michael Forte's loss was truly my gain; I hope he gets to come over soon. The quality of the dogs was awesome, absolutely 'top drawer'. It was wonderful to see so many gorgeous specimens of the breed come into the ring again and again and again. Note: I placed accordingly for well 'noticeable' trimming. My hats off to the breeders/exhibitors that don't see the necessity, as it's not allowed.

Junior Puppy Dog (9)

1. Mileslip Chairman Of The Board (Skidmore) Ruby. Perfect size, sound body, good coming and going. Moved with drive. Super breed type. Correct head type for his age. **2. Dreamvale Tri Your Luck** (Parker) Tricolor. Sound mover with good drive. Well balanced. **3. Darane Suddenly Seymour** (Kates) Blenheim. Correct head type, well balanced, another sound mover. **4. Elyzian Double Take** (Arnold) B&T. Another great mover, sound and well balanced. Would like a bigger eye.

Senior Puppy Dog (6)

1. Chewcreek Three Amigos Dusty Bottoms (DePhillip) Blenheim. I love this little guy. Perfect in so many ways, size – head – eyes – expression – balance – movement... he's adorable. One of my favorite exhibits of the day. **Best Puppy Dog, Best Puppy in Show**

2. Jayba Easy Does It (Lander) Blenheim. Well balanced, excellent mover. I liked the bigger eyes on #1. **3. Toraylac Desperado** (Rychlik) Blenheim. Head a little over-done for me.

Graduate Puppy Dog (10) Gorgeous class!

1. Mimric Consensus, JW (Hodges/Perkins) Blenheim. Gorgeous young dog with tons of potential, I love everything about him. Very sound, well-balanced, stood four square and confident. Correct coming and going with lots of drive and level topline. His head is gorgeous, a little deeper stop than I'd prefer – but that being said, his expression is overwhelming- his eyes so expressive, lovely and large. Shown in beautiful coat and condition. You can tell he's a little 'scamp' and fortunately, still lives life as a 'puppy'... sometimes that's lost when training to be a 'show dog'. He's the type of dog upon which top kennels are built. Well done! **Winners Dog, Best in Show, Best American Bred in Show, Best Bred By Exhibitor in Show, Best Blenheim in Show**

2. Pinecrest White Lightning, JW (Eubank) Blenheim. Another striking dog with similar movement as #1. Well-balanced, correct coming and going, correct head and expression. Just needs a little more coat. **3. Orchardhill Kid You Not, JW** (Venier) Blenheim. Sound and well-balanced. Super movement, level topline, good coming and going. Junior American Bred Dog (10)

Tanglewood Rebellion** (Saban/Fairchild) Shown in gorgeous coat and condition, another that moved out with drive. Level topline, great temperament. Not the layback of shoulder at the 1st two and his nose was a little pale today. **4. Blackfire Aquavit N Bordeaux** (Lauve) Beautiful dark Ruby pigment, moved out well, well balanced. A little too thin today and his head a bit overdone for me.

Special Limit Black & Tan Dog (4) Lovely class.

1. Mileslip Licorice, JW (Skidmore) One of the strongest movers of the day. Moved out on correctly made rear quarters. Shown in gorgeous coat and condition, love his head and expression. Open Dog (6) The quality in this class was 'jaw dropping'... it was wonderful to see. I was really 'nit-picking' when placing them, to say any of the four could change places on any given day is an understatement. Every exhibit in this class is a well-deserved champion, congratulations to all.

1. Ch Chantismere Chandos of Valentyne, JW (O'Brien) Blenheim. Ideal size. Beautiful coat and condition, darkest blenheim pigment in the class. His overall balance is perfect; he kicked off on strong rear quarters. Correct topline and tail set. Gorgeous head and expression.
