

Cavaliers of the South

11/11/12, York, PA

Judge: Philip Carthy (Ardgrove)

I would like to thank the committee for inviting me to judge this very well run show. I was thrilled to have such a large entry. My main winners were some of the best that I have judged. A credit to their breeders and handlers. Overall the exhibits were good, eyes were super and rear movement has improved since the last time I judged on the East coast. I would like to thank all the exhibitors who showed their very well presented Cavaliers under me and for accepting my decisions in true sportsmanship manner. I look forward to seeing you all again sometime in the future.
