

**CAVALIERS OF THE SOUTH  
3/20/21 WILLIAMSBURG, VA  
DR. KATHY AYCOCK-MCMURRY, HIGHCOTTON CAVALIERS**

It was wonderful to be at a dog show! Thank you to the show chairs, Caryna Baker-Fox and Helen Norton, and entire committee for putting on a lovely show and dealing with all the Covid constraints and policies to keep exhibitors safe. Special thanks to expert announcer Polly McCauley for keeping us all on track. I didn't know what to expect so was blown away by the quality of the exhibits and the depth in the classes. I should have known that no one would go to this much trouble and expense to enter and comply with all the new rules and regulations unless they felt their exhibits were worthy. And they were! Many of this group will do or may have already done some big time winning and all will be wonderful and lovely Cavalier companions. It was great fun for me because I don't think I had ever seen any of the dogs nor many of the exhibitors. It was exciting to learn that so many were American bred dogs. The bitches especially were exceptional, and this bodes well for our breed. Congratulations, breeders! COS did a great job of making everyone feel welcome even though "socially distanced." It was a little bit awkward for everyone. One change I do like is that exhibitors pick up their own prizes and ribbons outside the ring except for major awards which makes for less confusion and fewer people in the ring. Hope that continues. I do miss the crowd sitting around the ring though and the laughter, chatting, camaraderie, and hugs as friends get together. I treasure the judge's gift of the Cavalier tapestry bag. Every time I use it I will remember fondly your kindness and generosity. Thank you again for inviting me to judge and entering your beautiful Cavaliers. It was truly a delight!
