Judge's Name, Country, \& Affix: Paula Ayers, USA, Brookhaven Cavaliers

Message From Our Distinguished Judge:
I want to express my appreciation to Cavaliers of the Northeast for inviting me to judge this show. This is the first time the CKCSC, USA has attempted to have 2 shows in one day. The show was so well run,in spite of all the changes that 2 shows brought to organizers of this event. There were so many dogs and bitches of high quality that it was often difficult to make my final selections. I think the future of our breed is in good hands and we will enjoy seeing all the Cavaliers that have waited patiently over the past year for the shows to open back up.

This boy is a nicely marked Tri with excellent in rear action. His body is well put together with lovely arch of neck. I would like a little more fill in the face and muzzle but as he matures this could change. Was pleased to award him BEST PUPPY DOG.

2 Linrica Over The Moon Baby
Dog's Name Liu

This Blenheim boy was beautiful with a exquisite head, well laid back shoulders which showed off his arched neck (which we don't see in many of our dogs). He was a bit apprehensive in the ring as I'm sure with many others have not been out because of COVID.

This Tri boy had lovely markings. He has a very pretty head. Again one of the young ones that will get better with time as he was still figuring out the ring. It didn't help many of the dogs were not sure about the blue plastic the club had to put over the dance floor - I think they felt they would fall into a pool of water.
