

## **CNE – SWEEPSTAKES**

**6/12/25 – MORGANTOWN, PA**

**KAREN SAGE – DREAMVALE CAVALIERS, USA**

First, I have to give a huge thanks to the members of CNE who helped make this show happen. None of it would have been possible without the dedication of my co-chair, Judy Perini! Special thanks to Cindy and Larry Torgersen for volunteering to do decorations and for stepping in whenever we needed a helping hand throughout the weekend.

I'm so grateful to the exhibitors who brought me their lovely puppies and adults to judge; so many promising youngsters. I hope to see many of them again in the future. There were several puppies I'd have gladly taken home with me.

## **DOGS**

### **JUNIOR PUPPY DOG (2)**

#### **1) CHARTEROAK WILD HEARTS (Obadowski)**

Well broken blenheim boy with deep pigment and large, dark eyes giving him a melting expression. Liked his size and proportions. Clean movement coming and going with a level top-line and tail coming straight off his back. Just 5 months and showing much promise.

#### **2) CROWNROSE AS YOU WISH (Rosenberg/Rosenberg)**

Slightly longer in body, this blanketed boy also had nice dark pigment and silky straight coat coming in. Would like a larger eye to soften his expression a bit. Needs to fill out, but that should come as he matures. A bit too proud of his tail today.

### **GRADUATE PUPPY DOG (1)**

#### **1) FIELDSEDGE BURNING DOWN THE HOUSE (Slusher/Slusher/Smith)**

This 16 month old ruby boy set my heart on fire! Just stunning with a gorgeous head that was just masculine enough without being overdone or harsh. Large, dark eyes and deep ruby pigment with a silky straight coat. Love his balance and proportions, good spring of rib and flowing movement. Not surprised to find out that I had rewarded him as a 6 month old puppy last year.

## **BITCHES**

### **JUNIOR PUPPY BITCH (1)**

#### **1) CHADWICK VIVID VIOLET OF CEILIMOR (McCarty/Eckersley)**

Happy, happy blenheim girl with dark pigment and large round eyes set in a pretty and feminine head. Balanced with good angulation; level top-line and correct tail-set with a tail that never stopped wagging!

## **SENIOR PUPPY BITCH** (2)

### **1) NIGHTINGALE ONE OF THESE GOLDEN NIGHTS** (Richard)

Big, dark eyes set in the sweetest, feminine head on this blenheim girl. Balanced with a level top-line and tail coming straight off her back. Good turn of stifle. Flowing movement coming and going. I predict this little lady has a “golden” future! **BEST PUPPY BITCH**

### **2) NIGHTINGALE HEARTACHE TONIGHT** (Mulligan)

Blenheim beauty with large, round, dark eyes set in a feminine head. Correct top-line, tail-set and balanced with good angulation. Lacking confidence today and didn't use her tail to her advantage today. Not surprised to learn that this was litter-sister to my #1. Another one to watch as she finds her groove.

### **3) NORTHPOINTE HOT GOSSIP** (Mitchum)

Well broken blenheim girl with good pigment and a large, dark eye. Silky straight coat and level top-line. Not as feminine as 1 & 2 and a bit proud of her tail today.

### **4) TIALULLY TURQUOISE TRINKET** (Rubino/Close)

My notes say “WILD CHILD”! This B&T girl was full of herself, spinning and leaping, which made it difficult to assess her structure and movement. Silky straight coat. Slightly longer in length than the girls placed ahead of her.

## **GRADUATE PUPPY BITCH** (1)

### **1) FIELDSEDGE GOTTA DANCE** (Slusher/Slusher)

Another well broken blenheim girl with deep pigment and silky straight coat. Sweet expression with dark eyes. Liked her size and proportions, level top-line and good turn of stifle.

### **2) FALLING SPRINGS SILVER LINING** (Curley)

Attractive ruby girl carrying a bit too much weight. Slightly longer in loin than the girl ahead of her, but this gave her the ability to travel with ease around the ring, in spite of her “extra baggage”. Level top-line and correct tail-set, balanced with reach and drive. Slight wave to her coat.

## **ADULT SWEEPS DOG** (1)

### **1) NIGHTINGALE TAKE IT EASY** (Mulligan)

Blenheim boy with gorgeous dark pigment and those big, round, dark eyes! Silky correct coat, dead level top-line with tail wagging and coming straight of his back. Clean movement coming and going, covered ground fluidly. Alone in the Adult classes, but I suspect he'd have done as well had he had competition.
