

CNE - 50TH ANNIVERSARY SHOW
6/13/25 - MORGANTOWN PA
TINA HOMES, LEOGEM CAVALIERS

Thank you Cavaliers of the North-East for your very kind invitation to judge in Morgantown for your 50th Anniversary Show. Such a milestone. We spend our time on this earth counting time; birthdays etc. All those people who formed the club some time ago, I wonder did they ever think the club would attain this special anniversary.

I should like to thank all those who helped me make my day judging enjoyable, and above all helped make for the smooth running of the ring. I hope too that those exhibitors who entrusted in me their dogs for examination enjoyed the day. I may have pleased some, and disappointed others. It was just my opinion on the day. Cavaliers of any colour, boys or girls are simply the best in our canine world.

DOGS

JUNIOR PUPPY DOG (2)

- 1) **CHARTEROAK WILD HEARTS** (Obadowski). Balanced blen just six months who was short coupled with good ribbing. Correct bone for size. Correctly set and carried tail. Such a pretty head marking. Liked his happy and outgoing disposition.
- 2) **CROWNROSE AS YOU WISH** (Rosenberg/Rosenberg). Heavier marked blen all through. Slightly longer over loin than winner. Lovely bone for size. A little proud of his tail at present, but that is a boy thing. Not so positive on the move going away.
