

CAVALIERS OF THE SOUTH
5/14/23 – ATLANTA, GA
PAM BURKLEY, SAINTBRIDES CAVALIERS

Thank you to the Cavaliers of the South for asking me to judge. The exhibits overall were lovely, excellent temperaments, and wonderful coat and condition. Rear structure is better since the last time I judged (Oct 9th, 2021, CKCSC-USA National Specialty) croups, tailsets and rear drive are better overall. Head shape is better, with the correct stops and large dark eyes prevailed.

I have to mention bites/teeth. Too many had small pointy teeth, they will fall out too soon, or break or both. Or two of the top front teeth undershot and the other two overshot. Or just missing teeth on exhibits who should have a full, correct bite. I know the Breed standards requirement on bites...slightly undershot can be forgiven. And I agree. However, front teeth (top AND bottom) pointing or growing in different directions or missing completely is not acceptable on an age appropriate exhibit. Bites are not something you 'forgive', they're a part of the Breed Standard... as much as any other point of the dog.

That being said, the dogs were happy, gay, and wonderful. The exhibitors...mostly happy, gay, and accepting... And I had a wonderful time. I'm extremely grateful that such a wonderful group of people brought their dogs to me. Thank you!

Pam Burkley

DOGS
