

Cavaliers of the Midwest
07/27/13, Indianapolis, IN
Judge: Sean Martin (Glencross)

I would like to thank the Cavalier Club of the Midwest for this judging appointment. I would also extend my gratitude to Karen Matters for picking me up at airport and all those who organized this well run show. This is a very good venue with lots of space outside to walk dogs. The ring was big and bright and my stewards and ring announcer did a great job. I enjoyed my time in Indianapolis and was very happy with my main winners. Thank you to all the exhibitors who brought their dogs and for their acceptance of my decisions. A special word of thanks to Dr. Bruce Henry who came to my aid on Thursday night and got me fit enough to judge on Saturday. I was suffering from food poisoning picked up at a show on the previous Saturday.
