

**Cavaliers of the Northeast Specialty**  
**08/15/14, Boxborough, MA**  
**Judge: Liz McNally (Dalvreck)**

I would like to thank the committee of this show for their wonderful invitation to judge and the superb hospitality shown to me throughout the whole weekend. The very efficient committee and ring stewards go all out to ensure that this show is run to an excellent standard and the atmosphere created is wonderful and friendly. I would also like to thank the exhibitors for bringing their lovely dogs and I was delighted with the quality and type, I found that generally mouths were very good and I only had the odd exhibit which I had to penalise and place accordingly. On the whole the quality was excellent and the dogs were all beautifully presented and it was a pleasure to judge them. Thank you again and I look forward to returning in the future as a visitor and to enjoy the splendid show weekend.

**Junior Puppy Dog (3)** This was a lovely class.

**1. Padamere Kindred Spirit** (Miller) What a smart little fella, loved him as soon as he walked in the ring. If I was being a little critical I would have liked him to be a little bit more animated but he was still a happy chappie nevertheless. Compact and well marked blenheim shown in lovely condition, glorious head and softest expression, darkest of eyes and pigment, correct earset. Good neck and well set shoulders flowing into a lovely well made body shape with level topline and tailset, excellent mover and if he was little more animated it would only emphasise his existing attributes. **Best Puppy Dog**

**2. BlueGarden Holiday Party at Hudsonview** (Glynn/Matos) 8 months blenheim boy of quality. Larger made than winner of class but still lovely size and very well balanced. Lovely head with correct earset and lovely dark eyes and expression, good front and shoulders and well made with good hind angulation. Moved very well. Close runner to my winner. **3. Cantia Snowstar** (Kent) 6 months blenheim of good type, his head was not quite as full as I would prefer but he is still a baby with time on his side, lovely eyes and soft expression. Good shape and moved well keeping a level topline and tailset.

**Senior Puppy Dog (2)**

**1. Angel's Pride Just A Gigolo of Sumara** (Gentil) Well marked 10 months old richly coloured blenheim of real quality and type. Lovely temperament and at one with his handler, Lovely head with darkest of eyes and soft melting expression, straight front, good reach of neck flowing into well laid shoulders. Very strong mover and used the ring to his advantage. Very promising. Great showman. **2. Foxwyn Woodbury Rise N Shine** (McCarty/Redniss) Another lovely puppy of good type, lovely size and shape with good angulations which he used to advantage. I would prefer his head to be a little more masculine as just a little pretty for me. Quality exhibit.

**Graduate Puppy Dog (6)**

**1. Miletree Joshua at Shirmont.** (Henry) Well marked blenheim of supreme quality. He has a glorious head with the loveliest of expressions that melt the heart. Darkest of pigment, well feathered and correct earset which he uses to his advantage to frame his lovely head. Straight front and good reach of neck which flows into a lovely square body shape, level topline and tailset at all times, good angulation which is obvious when he flows effortlessly around the ring. In the challenge for Winners Dog I was splitting hairs and the black and tan just had the edge on maturity only. I love this blenheim boy and was honoured to have judged him. **Reserve Winners Dog, Best Blenheim Dog**

**2. Autumnhill Believe In Me** (Parente) Another super quality blenheim who was unlucky to meet Joshua today, he oozes quality and also has a beautiful head with loveliest of expression. Lighter marked but coat was in lovely condition and he is a very smart little mover and was a pleasure to watch going around the ring. A bright future I am sure awaits this lovely dog. **3. Ilow Du Jardin De Claire of Sumara** (Gentil) Rich ruby boy of good type, lovely size and shape with good angulations, sound mover with level topline and tailset. Sweetest of heads with lovely soft dark eyes and good pigment. Quality exhibit. **Best Ruby Dog** **4. Clopsville Meridian** (Rychlik) Well marked blenheim of good type, nice head and expression, good earset, nice shape and size with level topline, moved well.

**Novice Dog (2)**

**1. Castlemaine Woodsman** (Warme) Handsome 2 year old blenheim of good type. He was shown in good coat which is rich in colour and lovely condition. Good head properties with nice expression, very sound and moved well. **2. Rosehill Bears Repeating** (Perini) Heavily marked 9 months old tricolour. His head was plainer than I usually prefer but he is young and has time on his side to mature, very sound and moved well.

**Bred By Exhibitor Dog (3)**

**1. Ch Dreamvale Motley Crue** (Sage/Colbert) Richly coloured blenheim in good coat, pretty but still has a masculine head with lovely dark eyes and expression. Good front and correct shoulders, lovely reach of neck, good shape with level topline and he is a very sound mover. Great showman. **Best American Bred Dog, Best Bred By Exhibitor Dog** **2. Dancasa Cute As A Button** (Tiedemann) 4 year old blenheim of neat proportions

shown in lovely coat and condition. Good head and expression. He is a very sound little dog and moved very well using the ring to his advantage. **3. Piccadil Dream A Lil Dream Of Me** (York) Well marked tricolour, bit longer in cast than 1st and 2nd in this class, he moved well keeping a good topline and tailset. He has a nice head but he showed a little white in eye and I find this can detract the expression, altogether a nice exhibit.

#### **Junior American Bred Dog (4)**

**1. Chadwick Cheers at Hudsonview** (Glynn) Heavier marked tricolour of quality shown in lovely condition. Good size and compact shape with level topline and tailset, nice head and good dark eyes with lovely expression. good angulations which he used to advantage on the move. Quality exhibit. **2. Hiddencreek Mason** (Green) Smaller made blenheim which sadly today he lacked a lot of body and coat and this did not portray him as he should look if he had carried more bodyweight. He has a pretty head but not feminine in any way, lovely eyes and expression and he moved well. Would love to see this little dog when in top condition as I am sure he would look so different. Quality boy. **3. Licketysplit Vince Wilfork** (Geoghegan) Heavily marked tricolour of good type, not quite as handsome for me as the winner of this class but a nice exhibit. Good shape and size and moved soundly. **4. Piccadil Yakkity Yak Don't Talk Back** (York) Blenheim in full coat and good condition. This boy is larger than I normally prefer but he is very sound and of quality, head properties were a little heavier than I prefer although he has good eyes with nice expression. Good angulation and very sound mover.

#### **American Bred Dog (3)**

**1. Dreamvale Ollivander** (Sage/Hallsted) Blenheim of good type, handsome head with lovely eyes and expression. Good front and shoulders, nice reach of neck and although he is a bit longer in shape than I prefer I could not deny him this first place. He is very sound and he used his strong hind quarters effortlessly on the move. Real showman. **2. Nightingale Wish Upon A Star at Nebyula** (Birbeck) Pretty but masculine headed blenheim made with smaller proportions to winner, lovely head with darkest of eyes and soft expression, good neck and shoulders, lovely shape with good angulations, he seemed a quiet type of dog but really came to life when he moved around the ring. Lovely exhibit. **3. Castlemaine Harry Potter** (Warne) Blenheim of good type, with lovely eyes and expression, his head was a little heavier than I prefer and today I felt he carried too much weight and gave the appearance of being cumbersome and this made his movement a bit sluggish also. I am sure when he loses some of this excess weight (just like the judge) we will see a true reflection of this nice dog.

#### **Health and Conformation Dog (1)**

**1. Windham Lost Sailor** (McCauley/Hashagen) This lovely ruby stood alone in this class but he was a clear winner for me. He is 6 years old but his looks do not reflect his age as he was in really good condition and on his toes. Lovely temperament and at one with his handler, his nose pigment was a little off today but this did not detract from his lovely head, eyes and soft expression. He is a very sound little dog and moved with ease around the ring. A credit to his owners.

#### **Special Limit Blenheim Dog (3)**

**1. Pascavale Kingsley** (Ayers/Martz) Glamorous blenheim shown in a wealth of silky coat. Loveliest of heads with dark eyes and a beautiful expression, dense pigment. He is a lovely size and shape, good neck and front with correct shoulder placement flowing into a lovely square and compact shaped body. He is very sound with good hind quarters and he sailed round the ring, I felt today he was carrying a little bit of weight. Stunning dog. **2. Canyoncrest Pleasingly Pumpkin** (Du Ross/Nechiporenko) Unfortunate that this blenheim boy met Kingsley today, lovely head and eyes with soft expression, he was also very sound and moved true however he needed a bit more coat today to finish the picture. **3. Alberica Duke of Earl** (Crommett) Quality blenheim with handsome head properties, good eye and expression. Moved soundly.

#### **Special Limit Tricolor Dog (5)**

**1. Rosehill Recalculating** (Sage/Warshaw) My notes state that 1st and 2nd in class both heavier marked, I just preferred the head and expression of winner. Moved well and although he was a little proud of his tail it didn't detract from his movement. Sound exhibit. **Best Tricolor Dog** **2. Chadwick Midnight Sun at Hudsonview** (Glynn) Nice well balanced exhibit who was shown in lovely condition, good head properties, moved very soundly. **3. Aubinwood Griffen** (Chaples-Burke/Gibson) Nice size and shaped 5 year old boy with nice head and expression. Lovely temperament who showed and moved very well. **4. Nice head with soft expression, good reach of neck with correct shoulder placement, level topline and tailset held while on the move, used the ring to advantage. **2. Aubinwood Rowen** (Chaples-Burke/Gibson) Similar make and shape to winner but with shorter muzzle although he was still handsome, pigment a little off today. Sound mover.

#### **Special Limit Black & Tan Dog (3)**

**1. Infinidad Grandville Te Amo** (Laliberte) Quality black and tan beautifully presented in a wealth of silky coat. Lovely head and darkest of eyes with the softest of expression, correct ear placement which were profusely

feathered to frame his lovely face. Excellent neck and shoulders flowing into a lovely shape with a level topline. He makes a pleasing picture when moving round the ring with ease and using his hind quarters to advantage. **2. Charteroak Claude Monet** (Obadowski) Nice exhibit with handsome head properties, good neck and shoulders, soundly made and moved well.

**Open Dog (5)** This was a lovely class and I am sure placings will often change.

**1. Ch Turretbank Magic Spell** (Green/Sloan) I loved this boy as soon as he walked into the ring. Beautifully presented with a wealth of raven black silky coat and the brightest of tans, glorious head with eyes that melt you, good reach of neck and straight front, correct lay of shoulder blending into a compact shape with a level topline and correct tailset. He portrays a lovely outline when he moves effortlessly round the ring. **1. Linrica Flight of the Bumblebee** (Liu) Upstanding blenheim girl of quality, she has a pretty head although it still needs time to finish but she is young and has time on her side and I am sure she will blossom. Correct size and good shape, sound mover. She has a super temperament and was ably handled to easily win this class. Very promising. **2.
