PUPPY SWEEPS-CNE

8/15/24 – PITTSBURGH PA

JOHN GOODWIN, INTRYNZIK CAVALIERS

What a wonderful Steelers themed weekend in Pittsburgh! The CNE show chairs did a great job in decorating in gold and promoting this show. Even with a smaller entry, the weekend was a great success, and it was a pleasure to judge Sweeps. Overall, the quality of the exhibits was excellent, and the sportsmanship was a joy to witness in the ring. Thank you for such a memorable birthday!

PUPPY SWEEPS DOGS

GRADUATE PUPPY DOG (2)

1. **NORTHPOINTE SEQUINED BROGUE (Mitchum)** Beautifully, richly colored coated Blenheim boy with solid movement. Nice bite, nice stop and nice neck. Nice front and rear construction and maintains topline when on the move. Great movement once settled. Very promising puppy Dog. ***BEST PUPPY DOG in SWEEPSTAKES***

2. **NORTHPOINTE LETS START A REVOLUTION (Mitchem)** Nice Blenheim boy with big round dark eyes with a melting expression. Unsure at first and settled with more time in the ring with great movement. Chest needs to develop a little but moves nicely demonstrating great angulation on the move and stacked. My 1 and 2 in this class could swap with more time in the ring and settling of these two boys.

PUPPY SWEEPS BITCHES

JUNIOR PUPPY BITCH (2)

1. **HUDSONVIEW CRAZY DIAMOND (Glynn/Glynn)** Already a sound moving beautifully coated bitch. Promising future with nice bone, movement with straight topline and perfect tail carriage. She has a scrumptious expression, dark round eyes, and a lovely/solid Cavalier temperament.

2. **KOFAS AFTER ALL THIS TIME (Barr/Weeks)** Nice, lovely long coated bitch with a lot of promise. Nice movement but a little higher in the rear than my first place in this class adding a little weight to her may help her settle. Very attentive to the handler with a sweet expression.

1. **KRYSTLE BLUE VELVET AT SAINTBRIDES (Burkley/Torgersen)** Very pretty bitch with a long silky coat (very mature for a 1-year-old... almost). She was very attentive to her handler and moved nicely throughout the ring. Nice bend in stifle, tail carriage and topline. Beautiful large dark eyes with dark pigment.

GRADUATE PUPPY BITCH (3)

1. **KINGDOMRUN SPRING MAGNOLIA (Degen/Degen/Mixon)** Beautiful headed bitch, with a sweet expression (scrumptious). Beautiful dark eyes, nice ear set with a short muzzle. Sporty spaniel on the move with strong reach and drive while carrying a level topline and correct tail set. Nice length in neck with a nice chest and spring of rib. Very promising bitch.

2. **NORTHPOINTE SEQUINED PARTY SHOES (Mitchum)** Really close call between 1 and 2 in this class. Very pretty-headed bitch with a beautiful coat and a happy tail when on the move. Nice moving bitch as far as reach and drive and topline. Nice laid-back shoulders with a good chest and good bone.

3. **KINDOMRUN RUN FOR THE JULIP (Degen/Degen/Mixon)** Richly colored bitch with a nice neck. Preferred the eyes of my first placement in this class. Moved nicely with a great tail set and carriage and overall nice Cavalier temperament.
