Judge: Chris Dix (Beewye)

I would like to thank the Club and committee for their kind invitation to judge your show. The hospitality was stupendous as usual. I enjoyed going over your lovely dogs and it was nice to see that both Best Dog and Best Bitch were bred in America. We both enjoyed being with you and sharing your dogs. We have so many friends in your club it is almost like being at home, thank you so much to everyone. I felt the venue was absolutely superb and ideal for your show. Special thanks to the Show Chairs who made sure we were always looked after and kept informed and for involving Rob in everything. We hope to see you all again, one side of the Atlantic or the other.
