

## **Cavaliers of the West**

**09/08/13, Vancouver, WA**

**Judge: Lynn Crane (Cranvarl)**

May I express my thanks to the Committee for their kind invitation to judge at this most prestigious Speciality Show. It was indeed an honour and I was in no way disappointed neither by the quality of the exhibits nor by the tremendous welcome extended to me during my stay in the beautiful North West. Prior to my judging day, I was particularly grateful to Maggie Weaver who welcomed me and took very good care of me. I had a wonderful day judging and my appreciation must go to my Steward Susan Gonyo who kept me in line and to the exhibitors many of whom had travelled great distances to be there. Without exception all dogs were beautifully presented, which I know is not easy when you are travelling. I had some lovely dogs to assess and some unfortunately had to go card less. Generally, I was impressed with the quality of the dogs, although there does seem to be a problem with tails and for me, some of the heads were too short in muzzle and too deep in stop which unfortunately produces undershot mouths. That being said, there were some lovely exhibits which could give many British dogs a run for their money and I was delighted with my final winners. The show was a great success and had a lovely amicable atmosphere. I was particularly impressed by the camaraderie around the ring, something which of late seems to have disappeared from British shows. Après' show, I enjoyed a few days staying with Monique Tyler and I must express a big thank you to her for her most wonderful hospitality and kindness. I truly had a wonderful time and the memories will remain with me for ever.
