

## CAVALIERS OF THE WEST

01/08/2017, MESA, ARIZONA

BARB HILL, FELICITY CAVALIERS, USA

My sincere “Thank You” to Kathy Tegg and the show committee for a well-run show. The quality of the entry was very good. Fronts and shoulders are much improved. The shape of the eyes and color is quite good. I saw very few with any white. As breeders we have lost some ground on rear structure and movement and we must continue to work on the ongoing problem of high tails.

### JUNIOR PUPPY DOG (3)

1. **Orchardhill Shirmont Back Story** (Henry/Henry)  
Lovely breed type on this 9 month old Blenheim boy. Dark, round, well-spaced eyes, correct bite, neck blends into nicely laid back shoulders, level topline, and correct tail carriage.
2. **Glenellen Royal Rookie** (Murphy)  
Blenheim, 6 months old, correct eye shape and color, correct bite, good fore chest, neck shoulder transition good.
3. **Kinvaar Magnus** (Gentil)  
Rich Blenheim color, 7 months old, correct eye shape and color, moves true coming and going. Top line not as good as those ahead of him, but have seen this correct as they mature.

### SENIOR PUPPY DOG (1)

1. **Canyoncrest To The Leader of the Band** (DuRoss)  
Tricolor, 11 months old, good tri color markings, large, round dark eyes. He has an inquisitive, melting expression. The blaze on his head, which can really effect the expression on a tri color, is not too wide, nor too narrow. Good neck/shoulder transition into level top line. He moved true coming and going. I really liked him. **WINNERS DOG, BEST OF OPPOSITE SEX, BEST BEST PUPPY IN SHOW, BEST PUPPY DOG, BEST TRICOLOR IN SHOW, BEST TRICOLOR DOG**
