

**CAVALIERS OF THE WEST**  
**01/13/2018, WOODLAND HILLS, CALIFORNIA**  
**DAVID MOGER, UK**

I would like to thank the committee for inviting me to judge this show, and for their excellent hospitality over the weekend. I also thank the exhibitors for entering, and for the sportsmanlike attitude to their and other people's placings. My decisions were made on the temperament, type and conformation of the dogs, and there were some close decisions to be made. Sometimes when dogs are equally good in most respects, it comes down to a trivial fault that I would normally overlook, but my job on the day is to place them.

**JUNIOR PUPPY DOG (3)**

1. **ISLEPOSEA WALK ON FERRY** (Hoehn)  
Well-marked 7 Month old Blenheim. Lovely on the move due to excellent conformation. Good topline and tail and nice markings made it a pleasure to watch. Super head in all respects and a really soft expression that weighed heavily in my decision to award him first place and **BEST PUPPY DOG.**
2. **BROOKHAVEN DONOVAN** (Milosevic)  
8 Month old Blenheim. Quite lightly marked and another with good conformation that looked good on the move. It was difficult decision between these first two. Like the winner, he had a very pleasing head, but finally lost out on expression.
3. **COBRNIK REED BUNTING** (Tegg)  
Richly coloured 7 Month old Ruby, nice size and very well made. Good angulation, topline and tail. Nice head type and not overdone. Let himself down a bit when moving, but he is still a baby and has plenty of time to improve. I was pleased to award him **BEST RUBY IN SHOW and BEST RUBY DOG.**

**SENIOR PUPPY DOG (1)**

1. **DELSOL DRESS TO IMPRESS** (Macrae/McHenry)  
A very pretty heavily marked dog. Short in body and good topline, angulation and tail set. A well-balanced dog that looked good on the move.

**GRADUATE PUPPY DOG (3)**

1. **ALMEARA I BELIEVE** (Parente)  
2 year old Blenheim. Correct head with flat skull, high ears, large eyes, good pigment and teeth. Nice size with good topline and angulation both ends. Bouncy temperament which made the movement hard to assess.
2. **KELLS NOVEMBER RAIN** (Alameda-Wilkinson)  
18 month old Blenheim. Pleasing flat head and high ears set and good expression with nice eyes. Lost out to one on topline and movement.
3. **STARMARC MAN ABOUT TOWN** (Rezowalli/Hooper)  
Well marked 7 month old Tricolour of the correct size. Nicely made and could move well but did not want to cooperate on the day.

### **BRED BY EXHIBITOR DOG (3)**

1. **CH JADESTONE LEGEND HAS IT, JW** (Peek)  
Glamorous Blenheim. Small dog with a very pretty head, very correct with lovely eyes. Nice outline with a short back, good topline and tail set. Moved very tidily and with confidence.
2. **CROSSBOW GREYHAWK DANIEL A KICKAPOO OF ZOOTS** (Schiffman/Mittleman)  
Larger well marked 2 year old Blenheim. This dog had a sore eye on the day, which was a shame. Lovely head and expression, sound conformation and moved with elegance.
3. **ASTARRING MADE WITH LOVE** (Jennifer Flowers Foster)  
Mature Blenheim. Small dog with well broken (correct) markings. Extremely pretty head with nice flat between the ears. Large dark eyes and good teeth. Moved soundly, but lost his topline on the move.

### **AMERICAN BRED DOG (4)**

1. **GLENELLEN ROYAL ROOKIE** (Murphy)  
18 month old Blenheim. Proper little showman, nice size with the correct length of leg. Showy sort of head, large dark eyes and nice ear set. Moved very well and carried his tail correctly.
2. **ROCKCREEK MARK ME FIRST AT HIFLT, JW** (Steagall)  
Heavier marked Blenheim. Special pretty head with large eyes and nice ear set. Shorter in the leg than I would have liked, but challenged hard for first place. He only lost it by pulling to one side on the move, which spoilt the picture.
3. **JAYBA FUN AND GAMES AT ARCHPARK** (Lyman/Lander/Lander)  
2 year old Blenheim. Another very nice head framed by good ears. Good proportions and rear angulation. I would have liked more angulation on the front end. Moved tidily.
4. **NIGHTHAWK'S BARE NECESSITIES CGC, NAC, OJC, TN-O, BR-N, HP-N, ICC** (Mitchell)  
Blenheim with a nice head, but white around the eye spoilt his expression. Great temperament. Longer in the back than I would like, but that helped with elegant movement.

### **HEALTH AND CONFORMATION DOG (1)**

1. **CH BRIARCREST BURBERRY** (Katz)  
6 year old Blenheim. Lovely shape to this dog with a correct moderate head, no exaggeration. At this point of my judging, it was the best mover I had seen.

### **SPECIAL LIMIT BLENHEIM DOG (5)**

1. **MILBU JIM DANDY** (Sherrin)  
One and a half year old Blenheim I was pleased to award [\*\*RESERVE WINNERS DOG\*\*](#). Excellent moving correct sized dog with a lovely head. Sweet expression, good teeth, large eyes and good ear set. Very well balanced and a very good representative of the breed.
2. **BRAEMARRA RUBEN OF SUMARA** (Gentil)

2.75 year old well broken Blenheim. Another nice sized, well proportioned dog. A picture on the move. Nice head and expression. His coat was a lovely rich colour and of the correct texture.

3. **DALVRECK STARSHINE** (Ayers/Martz/McInally)  
3 year old Blenheim. Prettiest head in the class. Eyes not as large as I would like, and not as balanced in outline as the one above, who was more elegant. Very good on the move. In full coat and very well presented.
4. **LAREINA HIT THE JACKPOT** (Roberts-Espinosa)  
3 year old Blenheim. Larger type, not as good in front as ones above, moderate head. Unfortunately his ears had been chewed by puppies, so he lacked the glamour of the others.

#### **SPECIAL LIMIT TRICOLOR DOG (5)**

- 1 **BRIARCREST GOING FOR BAROQUE, JW** (Gail Katz)  
2.25 year old I was pleased to award **BEST TRICOLOUR IN SHOW and BEST TRICOLOUR DOG.** Very attractive head with nice expression, large eyes and good ear set. Good angles front and rear. Moved with elegance.

year old. Head not as pretty as first and longer in leg. Well constructed and moved confidently.
- 3 **CANYONCREST TO THE LEADER OF THE BAND** (DuRoss)

- 4 **MANHATTAN STYLE ORGANDI VIA TURRETBANK** - (Gray/Sloan)  
2 year old, longer cast. Not so attractive in head. Sound on the move.

Very glamorous compact 2 year old Blenheim. Perfect size and good proportions. Very attractive head with a lovely expression. Large eyes and good nose pigment. In full coat of the correct texture. #### **JUNIOR PUPPY BITCH (5)**

- 1 **ASTARRING ALL THE CATS MEOW** (Foster)  
month old well broken Blenheim. Very promising with very pretty head and expression. Compact shape and good bone. Nice tail set. She lost out in the challenge for best puppy because she tended to lose her topline on the move. I am sure this will correct as she gets older.

- 2 **SORELLA ARE YOU ON MY PILLOW** (Green)  
Different type to one above, but very attractive 5 month old Blenheim. Rich colour. Good conformation and shape. Just needs more confidence. The best mover in the class.
- 3 **ROCKCREEK FOREVER FLORRIE** (Steagall)  
Well made elegant 8 month old Blenheim. Not as pretty in head as those above. Showed and moved well.

- 2 **PARLETT GOSSIP GIRL** (Williams/Williams)  
Small well marked 10 month old Blenheim. Pretty head and nice expression, large eye, good ear set, not such good construction as winner, which showed in her movement.
- 3 **DAISYLANE I FEEL THE EARTH MOVE** (Sharp/Sharp/Schmidt)  
month Black-and-Tan. Pretty head, but lacked filling under the eyes. Long in leg and lacked bone. Erratic on the move. Needs more confidence.

#### **GRADUATE PUPPY BITCH** (3)

- 1 **MAYFIELD MISS WINNIE** (Lunbeck/Mayfield)  
Correct size, well made 14 month old Blenheim. Full of confidence. Moved very well with a good topline and tail carriage.

**JUNIOR AMERICAN BRED BITCH** (1)

- 1 **JADESTONE REBEL PRINCESS** (Peek)  
Small, well proportioned 17 month old Blenheim. Pretty head with nice large eyes. Good topline and tail carriage and nice front. Would prefer a stronger rear.

**AMERICAN BRED BITCH** (5)

Heavily marked 19 month old Blenheim. Slightly longer in back than one above. I liked her head and pretty expression. Good angulation and moved very well.
