

**CKCSC Trudy Brown Albrecht Memorial Rally
10/13/2017 Indianapolis, Indiana
Elaine Berwick, Merrylaine Cavaliers, UK**

I would like to thank the CKCSC, USA for the honour of judging the Trudy Albrecht Memorial Rally show on the Friday of the National weekend. The show was hosted by the Cavaliers of the Midwest, and chaired by Holly Young May and Kathy Gentil. The ballroom was transformed into a Halloween extravaganza by Kathy, Holly and their team. I am sure I speak for many when I say all your hard work was truly appreciated. A special thank you as well to my ring steward Kathy Tegg.

I would like to thank the exhibitors who travelled from far and wide to attend the show. There were some lovely representatives of the breed shown. The main winners in the dog entry stood out, but as in previous times when I have judged in the USA, the bitch entry was teeming with quality from the Junior Puppy right through to the best Open Bitch class I have ever judged, which had an entry of 8 worthy champions.

Presentation overall was first class. However, I was disappointed in the lack of quality in the wholecolours, especially in the boys. However, I was very pleasantly surprised in the quality of the Tricolour entry, especially the two Tricolour classes, which had quality right down the line.

Thank you all again, it will be a weekend I will never forget.

Elaine Berwick
