

CAVALIERS OF THE WEST

1/7/2017, MESA, ARIZONA

JOAKIM OHLSSON, HACKENSACK CAVALIERS, SWEDEN

“First of all I would like to say thank you to Cavaliers Of The West for the honour to be invited to judge your 2017 Show in Mesa. Thank you to all exhibitors for bringing dogs of high quality. I think we can see a worldwide decrease of entries at shows, but as long as the quality remains, there is a bright future for the breed. The overall quality was excellent, and in several classes I really got goose bumps when I saw the dogs. And also had to split hairs when I had to make my final decisions for winners in the classes. You should be very proud of your Cavaliers and with that quality the future really looks bright for the breed in America. Finally a big thank you to the committee for the excellent work they have done to make everything run smoothly, my help in the ring during the day and my hardworking ring steward. Thank you for a wonderful weekend, great hospitality and excellent show !!!”
