

CAVALIERS OF THE SOUTH

03/16/2019, WILLIAMSBURG, VIRGINIA

MARY GRACE EUBANK, PINECREST CAVALIERS, USA

It was truly a pleasure judging for the Cavaliers of the South in Williamsburg, Virginia. The show was well organized and run with complete precision. There were so many contributing workers that made the show a success. Special kudos to show chairs Helen Norton, Beci Markijohn, and Mandy Mulligan. Everyone was so friendly, helpful, gracious and attentive. I loved seeing treasured old friends and making new ones. I will add this special experience to my 30+ years of wonderful Cavalier memories.

It was interesting and refreshing to judge dogs I have never seen. There was an amazing collection of superlative quality dogs and bitches with strong breed type. I was impressed with the consistency of beautiful heads and exquisite large, round, dark eyes. The overall standard was exceptional and a JOY to observe and go over. The puppies were outstanding which holds high promise for future generations.

Thank you sincerely for the opportunity to be a part of this terrific event!
