

**CAVALIERS OF THE MIDWEST  
02/23/2019, LEXINGTON, KENTUCKY  
ROB SANSOM, BYERMOOR, UK**

Many thanks to Cavaliers of the Midwest for the invitation to judge. I thoroughly enjoyed my time in Kentucky and the hospitality was wonderful. The males were quite mixed in quality, bitches were much stronger, that said, I was delighted with my winners in both sexes.

There was one thing very disturbed me that I have never come across this before. On Sunday, when I sat ringside, at the end of the day when finals were being done, when the judge made her decision. someone actually boo-ed! I'm sure this person knows who they are! Everyone is entitled to his or her opinion. If it doesn't go your way, be gracious and accept it .....bad sportsmanship is not good! Have a moan in the car if you're not happy!
