

**CAVALIERS OF THE SOUTH
3/13/2020, WILLIAMSBURG, VIRGINIA
JOEL LANTZ, CAVANZAS CAVALIERS, SWEDEN**

I would like to thank The Cavalier Club of the South for inviting me to judge this very well organized and run show in beautiful Williamsburg, Virginia. I was ever so happy to get invited as it was a dream of mine to judge Cavaliers in the United States.

I must say I was very impressed how smooth things run during the weekend especially because of what goes on in the world with the Corona virus. We had just arrived at the hotel when we found out that our flight home was cancelled and we were not sure how to get home, or even if we were going to get home. We would like to thank everyone from the bottom of our hearts for your kindness and willingness to help out in this situation, ***THANK YOU!***

I was so delighted to get an entry of 145 dogs and that there were so few absents after all. So, a huge Thank you to all the exhibitors. I was very spoilt with choice and the overall quality in the dogs. The overall breed type is excellent and I am so glad that type is not lost, as type is so important. I was hoping to find that dog you just want to take home, the one of the right size and shape with a beautiful cavalier head, large, dark round eyes, warm soft expression, correct pigmentation, nice neck, level topline, correct tail set, movement and with a long silky coat to finish the picture of a beautiful cavalier And wow! There were many of them shown under me.

A very special thank you to my fantastic ring stewards at my very first time judging a CKCSC show. It truly was the greatest day of judging and the atmosphere and sportsmanship around the ring was absolutely awesome.

Thank you everyone!

Joel Lantz,
