

CAVALIERS OF THE NORTHEAST
08/16/24, PITTSBURGH, PA
ALIX JAUFFRET (Passeriphane Cavaliers) FRANCE

It is always a great honor and a privilege to be invited by the CKCSC and as it is my 4th time judging in America, I measure how spoiled and how lucky I am.

Thank you so much to the Cavaliers of the Northeast for inviting me and huge congratulations for the perfection of the organization: this show was amazing!

I also want to thank all the exhibitors for coming under my judging. I have enjoyed every minute and did appreciate the high quality of your dogs.

There were less than 50 entries but the quality was there and it was not an easy job to make a choice as so many of the dogs could pretend to be 'the one'.

The only thing that I feel sorry for is that there were so few wholecolors and tricolors. I know how Blenheim can be attractive but still, Cavaliers come in four colors and all of them are amazing and have to be supported!

I am so very pleased with my winners:

- My winners dog and Best in Show "Ch. Forestcreek The Showman At Tudor" is a real showman indeed and made a perfect team with his handler.
- My winners bitch and Best in Show "Ch. Chadwick Foxy Couture At Hudsonview" is a tribute to the breed.
- I was impressed by my Reserve winners' dog and Reserve best in show "Ch. Falling Springs Black Flame At Madrun" lovely outgoing black and tan and such a great mover.
- It was a pleasure to find out that my reserve winner's bitch the lovely "Valentyne Notorious At Sunjays" finished her title on that day.
- But my crush of the day was for "Seraphaven Chickadee", 4,5 months old who did so well in the Pee Wee Class and showed all qualities of a show dog.

My congratulations to all the winners, I wish you all the best in the future.
