

**CKCSC NATIONAL SPECIALTY- 60<sup>TH</sup> ANNUAL SPECIALTY  
SUNDAY, OCTOBER 9, 2022 WESTLAKE, OH  
C. ANNE ECKERSLEY, CHADWICK CAVALIERS**

I would like to thank the CKCSC for inviting me to judge during the National weekend this past October. It is the second time I have judged this particular show and I swear the Cavaliers are just getting better and better. Some spectacular youngsters which bodes well for the future of our breed. I found so many top quality dogs – several I would have taken home gladly. My only issue about judging this show is that I cannot participate!! I can't even watch!

Kudos to Holly and Pam, the Show Chairs, for organizing such a special event. I know first hand how difficult and stressful it is to run a National Specialty. This one went off without a hitch and the entire weekend went smoothly. Thank you also to Laura Glynn who was my Ring Steward and who kept me organized throughout the day.
