

Cavaliers Of The Northeast
June 10th 2016, Clinton, New Jersey
Wendy Angela Lhote (Woodville Cavaliers, France)

I had such a wonderful time at the Cavaliers of the Northeast shows in Clinton, New Jersey. Glorious weather and perfect hospitality, everyone was so warm and welcoming. It was very kind of the committee to invite me and I enjoyed every minute of my weekend. Especial thanks to Joe Birbeck and his wife, Betty Ann, for their helpfulness and thoughtfulness. A huge thank you also to Glenn and Miriam Weisinger for their tour of local beauty spots the day before the show and to Elaine Lessig who gave up her Friday and for being the best ring steward ever. Lovely to meet old friends and also to make some new ones.

All dogs were presented in pristine condition, so well schooled and with impeccable manners. As in every country at present, croups and tailsets need to be paid a little attention to. However, I felt the quality in Blenheims was outstanding and I was spoilt for choice in several classes. I would love to have smuggled at least a dozen home with me. There were some gorgeous tricolours, but the wholecolours I found somewhat mixed in quality and with the exception of a few superb show stoppers, others were rather disappointing and lacking in type.

Lastly, I thank ALL the exhibitors who were kind enough to enter under me and took my decisions in such a sporting manner.
