ASHEVILLE, NC – 12/8/24

LINDA KORNHI – QUAIL RUN CAVALIERS

Thank you to Cavaliers of the South for the kind invitation and your famous Southern hospitality! I believe this was the first time I booked my flight on the same day I left! Thank you to all the Club Members who persevered with all the changes happening and supported the Club. It takes a village, and the village did great work this weekend. I was very pleased with the overall quality of the exhibits, there was excellent breed style presented, most in a very sound package. Grooming was excellent with no apparent trimming. All exhibitors displayed excellent sportsmanship and camaraderie, and there were some very difficult choices to make. Many entries could, and no doubt will, change places on any given day.
