

**COS SWEEPSTAKES COMPETITION  
MARCH 14, 2024 - WILLIAMSBURG, VA  
PAT MIXON, TUDORR CAVALIERS**

I always love being invited to judge in my region. It was a pleasure to judge for the COS in Williamsburg this year and I was very pleased with the puppies and adults presented to me. There were some very nice dogs in my ring, and I look forward to seeing them mature over the next year. The quality of dogs was there all weekend and I thank each of you who showed to me.

**PUPPY SWEEPSTAKES**

**JUNIOR PUPPY DOG (2)**

1. **AUTUMN HILL AMERICA'S TEAM** (Parente/Green) Well-made Black and Tan with good bone and a very nice headpiece. Presented with a beautiful shiny and well-maintained coat. Good rear angulation and tail set. Happy to show confidence for one so young.
2. **BLUEGARDEN DANDY LION** (Matos) Another well-made Black and Tan pup. With a proper lay of shoulders and a nice neck. Held his top line as he went around, he was sidewinding a bit. But still could see his nice outline on the table as I went over him. Just a pup and I will enjoy watching him mature.

**SENIOR PUPPY DOG (1)**

1. **TASSAJARA VODOO RANGER** (Jones) This pup presents a very nice outline with easy motion around the ring. Good lay shoulders and neck, proper rear angulation. Well-proportioned for his age. Very nice boy with a good head and dark brown eyes. Happy to show.

**GRADUATE PUPPY DOG (5)**

1. **RIVERLEIGH HOT OFF THE PRESSES** (Dingman) Nice short-backed boy with a good coat. Held his topline and showed a lovely profile with the proper tail set on the move. Well-marked with a nice head and big brown eyes that melt you. Loved his reach and drive as he moved around the ring. A lot to like in this boy. WENT ON TO ***BEST PUPPY DOG AND BEST PUPPY IN SWEEPSTAKES.***

2. **FALLING SPRINGS BLACK FLAME AT MADRYN, JW** (Weeks/Weeks) Another really nice Black and Tan in my ring. Held himself up and used his nice rear to move around the ring with nice reach and drive. Well-formed front to give him a nice topline that he held. Presented in excellent condition.
3. **NIGHTINGALE POKER FACE AT KYNESLANE** (Paplauckas) Nice Blenheim with a rich coat and a lot of it for his age. Beautiful head and dark round eyes. Good lay of stifle. Pleasant head with dark eyes. Could do with a bit more neck to make profile movement a little cleaner. He moved with ease around the ring. Nice outline.
4. **EVERA TRUE AMERICAN GIGOLO** (True) A tri-color pup with lots of coat and white collar that showed off his length of neck. Dark round eyes in a pleasant head. A little longer in loin. Moved with ease but tended to hold his head down on occasion, breaking his top line as he went around. Will improve with ring time as he settles into showing.

#### **JUNIOR PUPPY BITCH** (4)

1. **WINDKISS SUMMER LOVIN** (Kates/ Patkowski) Well-broken Tri Color with a nice short back and a nice arch of neck and lay of shoulder. Proper tail set and rear movement as she went around the ring. Good bone and yet a very famine look with a pretty head and dark eyes.
2. **LOVEGOODS CELEBRATION** (Shaw/ Hickey) Happy to be in the ring. An adorable girl with lots of attitude. Young but had a lot to show off. Moves well with reach and drive for one so young. She stood and showed off her nice outline. Well broken with dark eyes and a very feminine head.
3. **HUDSONVIEW BEST BET** (Glynn/ Glynn) Another pretty young girl who is well-broken and happy to show. Nice topline with good profile just little long of leg at this age but this will improve as she matures. She had a very good profile on the move and presented a pretty picture when stacked.

4. **BROOKHAVEN TREASURE HUNTER** (Parente/Ayers) Pretty Blenheim with good bone and a pretty head. Dark eyes set in a pretty head with well- cushioned eyes. She was sidewinding and it was a little hard to access her reach and drive. I would like to see her again when she is more confident. Lovely puppy

### **SENIOR PUPPY BITCH** (3)

1. **WELLSWORTH HUNTING FOR TREASURE** (Culhane/Wells) Very lovely head with dark melting eyes that are well cushioned in a very feminine head. A well- broken coat that is long and straight and well maintained. Excellent bone on this girl with a nice rear. She was a little hesitant on the down and back but recovered and just had so sweet an expression.
2. **GRANASIL MOCHA OF SUMARA** (Gentil) Lovely ruby pup that is very feminine and graceful in the ring. Dark ruby coat with pretty headpiece. Moved with ease and held her topline as she moved. One and two were very different but I like them both. A tough decision.
3. **MADRYN HEART PIECE AT RAINHEART** (Mautone) Nice Blenheim puppy who was very well broken and had a nice head with a pretty expression. She was a little long on her leg at this stage but will settle over the next few months. Held her head high and was very comfortable in the ring for her age.

### **GRADUATE PUPPY BITCH** (4)

1. **CHADWICK FOXY COUTURE AT HUDSONVIEW** (Glynn/Glynn) Lovely well broken Blenheim bitch with rich chestnut color and dark round eyes in a very pretty head with plenty of cushioning around the eyes and ear set that frame her head giving her a sweet expression. She had a great profile on the move and held her topline as she moved with reach and drive. Very nice bone in a girl so young and so nicely put together. WENT ON TO BE **BEST PUPPY BITCH IN SWEEPSTAKES**.
2. **RIVERLEIGH EXPOSE** (Dingman) Pretty girl who was a little distracted but happy. She stacked well and had a strong outline on the table. Lovely silky coat. She had a lovely expression and type. A really pretty picture.
3. **PROMONTORY CLOVER** (Dingman/ Solomon) A Tri-Color bitch with a really pretty face and dark round eyes and great expression. She was good on the move and had the appropriate length of loin. Her coat was thick and rich.

4. **LOVEGOOD'S WISHING ON STARS** (Shaw) Nicely broken Blenheim with a pearly white background to her dark chestnut. Tended to hold her head down a little so lost her topline but recovered well when her head was up. May have been bait surfing. She could use a little more bone but should come with age and maturity.

## **ADULT SWEEPS**

### **ADULT DOG** (1)

1. **TANGLEWOOD CHARM BOY OF LYNFAIRE** (1) Ruby boy with the deepest of color. Nice arch of neck and moved with ease. He had good rear angulation with reach and drive as he went around the ring. A little longer in the loin but moved well and held his topline as he went around the ring. **BEST ADULT DOG IN SWEEPS AND BEST ADULT IN SWEEPS**

### **ADULT BITCH** (1)

1. **NIGHTINGALE OPERATION COWGIRL AT KYNESLANE** (Paplauckas) A very pretty face with sweet expression. She was happy and went around the ring with enthusiasm. Well broken Blenheim female with dark eyes.
