

## CAVALIERS OF THE MIDWEST

HEBRON, KY - JULY 25, 2024

### HOLLY YOUNG MAY, CLARMARIAN CAVALIERS

Thank you, Cavaliers of the Midwest for your kind invitation to judge Sweepstakes at the Hebron Show, and for your warm hospitality. The puppies, veterans and adults were all beautifully presented, and it was a pleasure to go over them. Thanks to all the exhibitors who entered your lovely Cavaliers. I appreciate your support.

The show committee did an outstanding job of organizing this show. I know how hard you worked! Thanks to all who assisted with Sweepstakes, especially my ring steward, Pamela Gogol.

#### VETERAN SWEEPS

##### GOLD DOG (1)

1. **CH CHADWICK MIDNIGHT SUN AT HUDSONVIEW** (Glynn/Glynn)  
Lovely head and soft expression, so difficult to achieve with a tricolor. Soft, silky textured coat; still jet black on pearly white.  
Compact shape with moderate angles both front and rear. He moved around the ring confidently and effortlessly. **BEST VETERAN DOG.**

##### SILVER BITCH (2)

1. **DARANE TRUE COLORS, MP** (Kates) 9 ½ year old Black and Tan with the correct Cavalier outline, nicely laid-back shoulder flowed into a level topline, deep chest, matching angles front and rear, and her tail flowed right off her back. Impressive reach and drive, her shining jet-black coat finishing the picture. This girl was so well presented. She has all her teeth, white and shiny, like a puppy. Congratulations to her owner! **BEST VETERAN BITCH AND BEST VETERAN IN SWEEPS.**
2. **CLOSEBURN BONNY WEE KILT** (Fairchild) Lovely, sweet expression on this smaller Tricolor with round dark eyes. Open marked. Nicely laid-back shoulders flowing into solid topline. Moved soundly around the ring.

##### GOLD BITCH (2) “Two Lovely girls!! Worthy Champions whose excellent conformation enables them to still excel at their advanced age.”

1. **CH PINECREST MOONSHINE AT MARKLEY, JW** (Storey) Now 13 years old, this lovely bitch continues to impress. I have judged her before, and I still love her. She has the loveliest neck into shoulders I have seen in a Cavalier. Her superb structure enables her correct movement. While age has slowed her a step, she continues to impress with her soundness and beauty.

2. **CH DARANE RED SONJA, JW** (Kates) This lovely ruby girl turned 15 this weekend. She still strode around the ring happily and with ease. She has beautiful huge round, forward set dark eyes. She is a bit longer in loin than the first-place girl, but her reach and drive were unmistakable.

## **PUPPY SWEEPS**

### **DOGS**

#### **GRADUATE PUPPY DOG (1)**

1. **CAMERONA RING OF FREEDOM** (Cameron) This 16-month-old Blenheim has beautiful pigment and a lovely neck into well laid-back shoulders. Well balanced front and rear. He was a little nervous to start but relaxed a bit as his time went on and then showed a nice profile going around the ring. He will get better with ring experience. **BEST PUPPY DOG.**

### **BITCHES**

#### **JUNIOR PUPPY BITCH (1)**

1. **HUDSONVIEW CRAZY DIAMOND** (Glynn) This youngster has lovely dark pigment and is nicely marked. Her head still needs to develop, and it should with maturity. While I would like a little more leg under her, she is still growing. She is very new to the show ring and her nervousness showed, but when she got herself together, she moved with nice drive.

#### **SENIOR PUPPY BITCH (2)**

1. **KRYSTAL BLUE VELVET AT SAINTBRIDES** (Burkley/Torgersen) Nicely put together with well laid-back shoulders into a level top line. Good tail set. She moved well in all directions. Lovely head with pretty, round dark eyes. Hopefully she has done all her growing.
2. **HUDSONVIEW BEST BET** (Glynn/Glynn) Energetic youngster. Very dark pigment makes for a striking picture. Movement was a little erratic but kept her topline on the move. Head will mature with time.

#### **GRADUATE PUPPY BITCH (4)**

1. **ALMEARA LOVE HER MADLY** (Whitmire) Loved this girl immediately. She has the desired soft expression with lovely dark round eyes. Her coat is well marked and silky in texture. A true classic beauty. So well structured. Lovely neck and shoulders into flat topline. Correct tail set and carriage. She strode around the ring happily and confidently, at one with her handler. The best part was watching her drive from behind. **BEST PUPPY BITCH. BEST PUPPY IN SWEEPSTAKES.**

2. **KINGDOMRUN SPRING MAGNOLIA** (Degan/Degan/Mixon) Very pretty and feminine girl. A little longer muzzle would soften her expression. Correct shape but could use more bone. Acceptable movement in profile. Could use more drive from behind.
3. **WINDKISS SUMMER LOVIN** (Kates/Patkowski) This tricolor has a beautiful head and eyes with a desired soft expression. Nice shoulder layback and level topline. Steady moving around the ring. Her legs are a bit shorter than I like in relationship to her length of back.
4. **ALDER CREEK FROZEN ASSETS AT TEXANNA** (White) This little Tricolor was not as developed as the others in her class. With time she should mature and fill out. Moved smoothly around the ring.

### **ADULT SWEEPS**

#### **DOGS**

1. **CLOSEBURN RED FOX TO THE FRONT** (Fairchild/ Maddox) Ruby who has deep rich color. His shiny coat is in fabulous condition. Attractive masculine head, with ample fill under his large round eyes that could be a bit darker. Excellent make and shape, well sprung ribs, short coupled with good tail set and topline. Moved out with good reach and drive, but a bit close behind. ***BEST ADULT DOG IN SWEEPS & BEST ADULT IN SWEEPS***

#### **BITCHES**

1. **AURORA JANE** (Lehn) Two-year-old Blenheim with lots of silky textured straight coat. She has lovely eyes in a head that could use a bit more fill. She moved with moderate reach, but steadily around the ring holding her topline. ***BEST ADULT BITCH IN SWEEPS***.
