

CAVALIERS OF THE NORTHEAST

6/21/24, MORGANTOWN, PA

ROBERT LAMONT – MOORFIELDS CAVALIERS, IRELAND

I would like to express my thanks to the club for their kind invitation to judge Cavaliers at the above show. It was a privilege to be invited and have the opportunity to see and judge the breed again for the CKCSC, USA. I would especially like to thank everyone for the very warm welcome shown to Heather and myself and especially for the efforts of everyone involved who went out of their way to ensure we were fully entertained, making this an experience for us to always remember.

Thanks also to my stewards on the day and to the exhibitors for entering quality exhibits which made judging a pleasure.

Overall, I was very impressed by the general high standard and quality of the exhibits, temperaments were generally excellent, breed type was evident in the depth and presentation was of a high standard. However, there were some very nice dogs and bitches somewhat spoiled by, poor toplines and incorrect tail sets resulting in both high and low tail carriage. Heads in general were very good with desired dark eyes and soft expression and my overall winners were lovely examples of the breed standard.
