My sincerest congratulations to the COTW committee and working members for another well run and fun for all show.

To those who are not involved in actually putting on a show and working behind the scenes you could not understand the magnitude of all the work involved.

It can be a full time job for some. Special thanks to Kathy Tegg whose life and time is devoted to the clubs. She is a national treasure.

Kudos to Kathy Fowler my gate steward who kept me on track and to all those who works the table with an abundance of paperwork, announcing, etc. THANK YOU.

Special thanks to Teresa Murphy for taking a picture of each placement all day.

I give my gratitude to all the committees and working members for putting on a lovely and memorable show.

DOGS

SENIOR PUPPY DOG (1)

1 **BLUESTARAALADDIN'S LIGHT (Parris)** What a treat to start my day off with a handsome boy that will mature well.

Nicely marked and already has a lovely coat for a youngster. Soulful dark eyes, good neck length & good bone with well bent stifles.

This pup is well-schooled and moved around the ring and stood with confidence and style.

GRADUATE PUPPY DOG (3)

1 **ORCHARD HILL OVER ANALYZED (Venier/Venier)** This Tricolor boy is such a handsome picture and presented in beautiful condition. His head is correct with well placed ears, dark eyes and well filled muzzle for his age, which made it very pleasing. He was very well balanced and carried himself smoothly around the ring. Happy to present him with **BEST TRICOLOR IN SHOW**.

2 **CHADWICK BUCK'S FIZZ (Stewart/Eckersley)** A pleasing and happy, wagging boy, with a nice head and well set dark eyes, rich chestnut color with a good solid top line, slight dip where tail set on, but carried it well and he was shown expertly.

3 **LA REINA'S HELLO GORGEOUS (ROBERTS-ESPINOSA)** Beautifully marked rich dark Blenheim complete with head spot and nice dark round eyes and good head shape. Moved up, back and around very nicely, but was a bit proud of his tail today but he was having fun.

NOVICE DOG (1)

1 **LOCKESTAR'S KING OF THE CASTLE (Younger)** This Blenheim boy has a very good attitude in the ring. Pretty markings & nice dark eyes with a muzzle, a tiny bit too long. Good length of neck, just needs to body up. He carries a good top line going around, and was presented to me very nicely.

BRED BY EXHIBITOR DOG (2)

1 **BELLAROSE CUCCI GU (Becker)** This Blenheim boy was a pleasure to go over on the table, with a pleasing and balanced head/muzzle and good dark round eyes plus good moderate bone.

Held a good top line and tail set while moving. A tad longer which gave him the ability to drive yet float around the ring saying look at me. In beautiful long silky, conditioned coat.

While I considered two others for this honor today, this entry was very deserving of [RESERVE WINNERS DOG](#).

2 **IVYLINE MICHELANGELO (Giampapa/Ostmann)** A lovely head, very pleasing dark eyes, good bone and dark chestnut shiny color. A totally different type from his classmate because

a tad shorter muzzle, neck & back, yet also perfectly balanced, with good shoulders, solid level top line, with tail set on and carried correctly and nice bend of stifle.

Highly considered for the Reserve challenge.

JUNIOR AMERICAN BRED (1)

1 **SORELLA TWO TICKETS TO PARADISE (Green)** A very balanced head with well set ears, big dark eyes that makes your heart feel warm with the expression they give, great bone and a nicely conditioned coat, along with a very mature body for only 11 months. Good reach and drive going around.

Although he gave his handler some naughty & hard to handle moments, he fit the standard so perfectly

I could not deny him [WINNERS DOG, BEST OPPOSITE SEX TO BEST IN SHOW, BEST PUPPY DOG, BEST BLENHEIM DOG, BEST AMERICAN BRED DOG AND BEST BRED BY EXHIBITOR DOG](#).

4 COVINGTON FULL METAL ALCHEMIST, C-TKN (Christensen/James) A well broken coat, also finished off with a head spot and pleasing head with nice dark eyes. A tad short in neck, which lead to a slightly sloping top line with tail set a little low. However, he is in beautiful condition and expertly handled.

BITCHES**

JUNIOR PUPPY BITCH (3)

1 GOLD COUNTRY SPICY PARADISE (Neiser/Neiser) This balanced Ruby baby caught my eye just walking in. Many are short in leg but this baby today had it all.

A pretty face with correct head proportions, big round dark eyes and a melting expression. Lovely arched neck that went perfectly into good shoulders and level top line.

Well trained and moved easily around the ring with her tail straight off her back. Very deserving of BEST RUBY IN SHOW at only 5 months old.

I have always said it's hard to find a good whole color, and when I do, I reward it. They are over looked many times because they do not have the "flash" the Party colors have. I was pleased to award her

BEST PUPPY BITCH, BEST RUBY BITCH AND BEST RUBY IN SHOW

2 FIELDS EDGE OUR GREATEST EXPECTATIONS v. NIGHTHAWK (Dirks/Mitchell) Then in came the flash of a Blenheim outstanding baby only 2 weeks older.

Pretty head and dark soulful eyes.

A very well made totally balanced beauty, who was so full of her self and saying look at me. Fun going over babies on the table and she is beautifully put together with a bright future.

Expertly handled. This was a class that I wished I had two first place ribbons.

3 KIDDLE'S OBSIDIAN (McHENRY) This very pretty smaller boned 5 month old stands out, with good movement coming and going.

She moved with drive and a good tail carriage at her young age. This class of three 5 month old's, could easily change places each

time they meet again.

SENIOR PUPPY BITCH (2)

1 HARRINGTON BEJEWELLED (gonyo/gonyo) Lovely girl with a good bite, beautiful round dark eyes, excellent bone & length of neck dropping smoothly into a straight topline.

Very nice on the go around, carrying herself smooth and true

AMERICAN BRED BITCH (3)

1 NIGHTHAWK'S JINX YOU'RE IT! CGC,TK-HN (Mitchell) Striking very dark Chestnut on pearly white, with a lovely correct head, dark eyes and loving expression. Well balanced body with good bone, neck a tad short, but this had no effect on her truly fluid and driving movement, carrying a solid straight top line with happy tail carried correctly. Seriously considered in the Challenge.

2 BEARRIVER ROCKIN THE PARADISE (Toeplier) Beautiful larger girl with dark expressive round eyes and a lovely arched neck dropping perfectly into a good shoulders and a level top line. A tad straight in stifle but this had no influence on her good movement.

3 DARANE OTHERWORLDY, JW, MP (Kates) Such a sweet face on this beautiful silky coated Blenheim quality girl. In balance and in moving up and back perfectly, but today on her go around, her top line was a tad off today, but she was still a very pretty picture.

An arched neck leading into a perfectly angled shoulder and top line and tail set to follow. At times while in a perfect stack she was not wagging, but I would never fault that since her attitude was perfect and she always

used her tail when moving. In beautiful condition and deserving today of **WINNERS BITCH, BEST IN SHOW, BEST AMERICAN BRED IN SHOW AND BEST BLENHEIM IN SHOW.**

2 MAISONDUSOLEIL NOELLE (Schuberth) This larger girl has a pleasant face and good eyes that she used to look lovingly at her handler. She has a good top line which leads to good angulation Moved with tail down but this did not affect her movement.

1 PROMONTORY HENLEY (Solomon) This beauty had a very correct head with gorgeous eyes and a filled muzzle. Well balanced with a good solid level top line, well laid back shoulder and glided around the ring with ease. Tail always in motion.

2 CASTLEVILLE LOVE ME LIKE YOU DO (McCoy/McCoy) Charming girl with everything positive, a speck longer which makes for spectacular movement in every direction.
