*This is a great opportunity to show, evaluate and celebrate our breeding stock in our region, as well as talk health, breeding, and grooming etc.. **This is also A GREAT OPPORTUNITY TO GROW OUR CLUB** by inviting someone you've met at another show who is not a member, inviting a longtime member who you haven't seen active in a while, and by inviting a family you've placed a puppy with to come and participate.

Entry forms will be ready to fill out on show day.

Fun Match Rules can be found on our website at ckcsc.org

***Companion/pet cavaliers are welcome as well.**
