

CAVALIERS OF THE NORTHEAST AUGUST 2025 SHOW

FRIDAY NIGHT BUFFET AND SEMINAR: \$40.00 per person

Puppy Evaluation By The Numbers

Presented By Charlie Weidig, CKCSC, USA Judge

When you are looking at a possible “keeper” puppy from one of your litters, or just trying to decide which puppy you’d like to purchase from another breeder, what factors do you consider? Would you like to express the quality of the puppy simply as a numerical score?

A CKCSC breeder/judge shares and demonstrates his evaluation criteria and tools for doing just that. Bring along your Pee Wee Puppy – or any puppy – for a real hands-on experience. The more puppies that attend, the more fun we’ll all have!
